

Guaranteed Ride Home

Participation Guidelines

The Guaranteed Ride Home (GRH) program is a service provided by iCommute, the regional commuter services program, and sponsored by the San Diego Association of Governments (SANDAG).

Please retain a copy of these guidelines for your records and for future reference.

Who Qualifies?

The regional GRH program provides an unscheduled ride home for commuters who carpool, vanpool, bike, use the COASTER, or Premium Express Bus service to get to work at least three times per week. Participation in a vanpool, use of the COASTER, or Premium Express Bus service does not automatically enroll you in the GRH. To be eligible, you must register with iCommute. Don't wait until you need a ride home to enroll! Customers of private transit and private shuttles are not eligible for the regional GRH program.

What Conditions Qualify?

Registered participants will receive a ride home if one of the following occurs:

- *Personal or family emergency*
- *Personal or family illness*
- *Unscheduled overtime (with a supervisor's signature on the GRH voucher)*
- *Stranded at work due to carpool or vanpool driver leaving for an emergency*

You **cannot** use the program for a ride to work, personal errands, appointments, business-related travel, non-emergency side trips, or working late without a supervisor's approval.

How Many Times Can I Use the Service?

You will be eligible for three emergency rides home to be used between August 1, 2009, and July 31, 2010. When you have used all three vouchers, you will have to wait until after August 1, 2010, to receive additional vouchers. There is a \$3 co-pay for each voucher use which is payable to the taxi or rental car agency. Vouchers are not transferable and a voucher must be used for every ride.

Lost vouchers will not be replaced and unused vouchers do not carry over to the next year. We will send you a notice via iCommute when it's time to renew your registration.

How Will I Get Home?

Once you are approved for the GRH program and have started to log your trip using "TripTracker", you can use GRH! Through your iCommute account you can request a voucher, self certify that you meet the criteria for a Guaranteed Ride Home and print the voucher to utilize the program. You will be required to relinquish the voucher to either the taxi driver or the rental car agent. Taxi and rental car services' response time cannot be guaranteed. If you have any questions, please call Daniel Avita at (619) 699-0641 or dial 511, when prompted say "iCommute", to speak with a iCommute representative.

Please Note: *Any trip taken without an authorized voucher will not be covered by the GRH program. The member will be held responsible for payment and possibly denied future participation in the program.*

If the distance from your place of employment to your home is 12 miles or less, you will be authorized for a taxi. All trips of 12 miles or more will be authorized for a rental car.

There are certain restrictions for using a rental car ride home. The rental is for a 24-hour period only – the renter will be responsible for any charges after that period of time. If the rental is obtained on a Friday, the GRH program will not cover any costs for Saturday or Sunday. In addition, the renter must meet the standard requirements of the rental car provider. The renter must return the car to the rental provider with the gas tank three-quarters full or pay the rental provider rates to fill the gas tank three-quarters full.

What are the Hours of Service?

You may utilize an emergency ride home between the hours of 8:00 a.m. and 9:00 p.m., Monday through Friday. There is no weekend or major holiday service. (Major holidays include, but are **not limited** to: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.)
