employer commuting services
complimentary assistance for San Diego regional employers

going to work doesn’t have to be hard work

about iCommute
iCommute is your gateway to commute choices in the San Diego region. The goal of the iCommute program is to reduce traffic congestion during peak-times, as well as reduce greenhouse gas emissions and other environmental pollutants that result from commuters driving to work alone each day. iCommute works to achieve this goal by offering assistance and tools to commuters and employers.

employer testimonial
"Thank you iCommute! Not only did your organization help plan, implement, and grow our current commuter benefit program, you provide our employees with the necessary tools for reducing their carbon footprint as part of Qualcomm's commitment to corporate social responsibility. Definitely a win-win!"
-
Kyle Lueken

if you would like to:
• Reduce your organization’s and employees’ tax burden
• Improve your ability to recruit and retain employees with low/no cost benefits
• Ease transition during a business relocation or reorganization
• Gain more parking for your employees and visitors
• Reduce traffic congestion near your organization’s location(s)
• Assist employees with their commute
• Promote a healthy and active lifestyle
• Help meet your organization’s green goals by offering sustainable commute choices

then iCommute is here to help!
We will partner with you to create solutions that improve your employees’ commutes and address your organization’s needs.
iCommute services are customized for you – based on location, type of business, number of employees, and other factors.

commute choices and transportation improvements
There are many choices to offer your employees. Let iCommute assist you.
• Ridesharing – carpool and vanpool
• Public Transportation – bus, train, and Trolley
• Active Transportation – bike or walk to work
• Flexible work schedules – compressed workweek schedules
• Telework – from home or remote work stations

transportation improvements in your area
Learn about current transportation improvements and services in your area such as FasTrak, Rapid, and Freeway Service Patrol.

assistance at no cost to you
iCommute provides assistance and tools to help you design and implement a customized commuter program. Consider these programs and services offered by iCommute:
• Information about commuter pre-tax benefits to help your bottom line and save employees money
• Simple and secure carpool partner ridematching with coworkers
• Bike and walk to work opportunities that support your wellness program
• Vanpool program, including a subsidy of up to $400 per month
• On-site commuter assistance and rideshare fairs
• Guaranteed Ride Home service in case of emergency, illness, or unscheduled overtime
• Workforce surveying, mapping, and customized trip-reduction plans
• Marketing and promotional materials
• Online employer network system with customized training and support
• Employer reports that show reduced cost and environmental savings

diamond awards

iCommute
c/o SANDAG
401 B Street, Suite 800
San Diego, CA 92101-4231

iCommute is managed by the San Diego Association of Governments (SANDAG) as part of the regional transportation demand management program. SANDAG is the San Diego region’s primary public planning, transportation, and research agency. SANDAG is governed by a Board of Directors composed of mayors, council members, and supervisors from each of the region’s 18 cities and the county government.
