

2018 GO by BIKE Mini-Grant program recipients

- **BikeSD Outreach** will host a bike-in movie event at Morley Field in Balboa Park on Friday, May 18. The event will feature a pre-movie bike safety presentation by a local bike shop, and giveaways including bike light sets and a children's bike.
- **Circulate San Diego** will transform parking space in the Logan Heights Community to stage a parklet and host a bike clinic on Saturday, April 14. They will partner with a local bike shop to provide bike tune-ups in preparation for Bike to Work Day and educate community members on the benefits of riding a bike.
- **City Heights Community Development Corporation** will lead an educational bike tour in the Mid-City area to inform community members and bike commuters of new and planned bikeways, and provide participants with refreshments along the way.
- **City of Chula Vista** will host a series of events in April and May including a bike rodeo, bike scavenger hunt, and a guided bike tour of the Bayshore Bikeway in support of South Bay Earth Day and Bike to Work Day.
- **City of Coronado** will host an outdoor bike-in movie event to increase bike education and awareness, including a bike rodeo, bike skills clinic, bike inspections, and prizes for attendees who GO by BIKE to the event.
- **City of Oceanside** will promote a series of free bike safety seminars and encourage residents to participate in Bike to Work Day at Oceanside farmer's markets leading up to May 17. Attendees who register for Bike to Work Day will be provided with a complimentary water bottle.
- **County of San Diego Department of Parks and Recreation** will host a community night bike ride in Lakeside at Lindo Lake Park on Saturday, May 19. The Sheriff's Department and San Diego County Bicycle Coalition will provide information on bike

safety, and participating children can win raffle prizes including bikes and safety equipment.

- **Diamond Business Association** will educate residents and businesses about local bike projects, and encourage riders and drivers to share the road by creating t-shirts, bags, and street banners that will be displayed along key business corridors in the Chollas View community.
- **Family Health Centers of San Diego, Inc.** will educate community members about bike safety and the benefits of biking at the Barrio Logan Grand Prix on April 28. Attendees will have the opportunity to enter a raffle to win one of 100+ children's bike helmets.
- **San Diego Public Library, Pacific Beach Branch** will host a family-friendly bike-in movie event on the Taylor Greene in Pacific Beach in early May. Pre-movie activities will consist of bike maintenance checks, bike safety presentations, and giveaways including bike locks and bike lights.
- **San Diego State University (SDSU) School of Public Affairs** will host a Bike to Campus day at San Diego State University on April 10, featuring a campus bike fair to provide participants with information about bike maintenance and safety in preparation for Bike to Work Day.
- **San Diego County Bicycle Coalition** will host a Bike Month kickoff celebration in Downtown San Diego on May 3. The family-friendly event will feature a community bike ride, local bike vendors, music, food, and giveaways.
- **The Urban Collaborative Project** will host a Bike to Art festival in Chicano Park featuring a bike exhibition, bike safety rodeo, bike repair, and live art painting.
- **University Heights Community Association** will host a bike-in movie event at Trolley Barn Park on May 19 to promote biking in the University Heights community. They will also display street banners promoting Bike Month along key biking corridors.
