

EMPLOYER BIKE SERVICES

iCommute offers complimentary employer bike services to encourage biking to work as an everyday transportation choice.

Get your employees ready to GO by BIKE

- Bike Safety Quick Check (Virtual) - Attend a live interactive session to walk through basic bike mechanics and how to keep bikes running smoothly.
- Bike Commuting Class 101 (Virtual) - This 45-minute interactive presentation, hosted by the San Diego County Bicycle Coalition, covers essential skills for potential or experienced bike commuters including safety tips, laws, and route planning strategies.
- Bike Commuting Class 202 (Virtual) - This 45-minute interactive presentation, hosted by the San Diego County Bicycle Coalition, continues beyond the 101 class to help employees become more confident bike commuters including defensive riding skills, gear, bike fitting and bike options.

Registration is on a first-come, first-served basis.
