

Guaranteed Ride Home participation guidelines

The Guaranteed Ride Home (GRH) program is a service provided by the San Diego Association of Governments (SANDAG) iCommute program. By participating in the GRH program, you, the registered participant (Participant), are acknowledging and agreeing to abide by the Participation Guidelines and the SANDAG Privacy Policy, and any subsequent updates or amendments to these documents.

What is GRH?

The GRH program provides commuters who choose to carpool, vanpool, take transit, bike, or walk to work with an **emergency ride home** up to **three times per fiscal year** (July 1 through June 30) if/when an unexpected personal or family emergency arises. Registered participants can take a taxi, rideshare service such as Lyft or Uber, rental car, car share, or transit ride home, and be reimbursed for the cost of the ride.

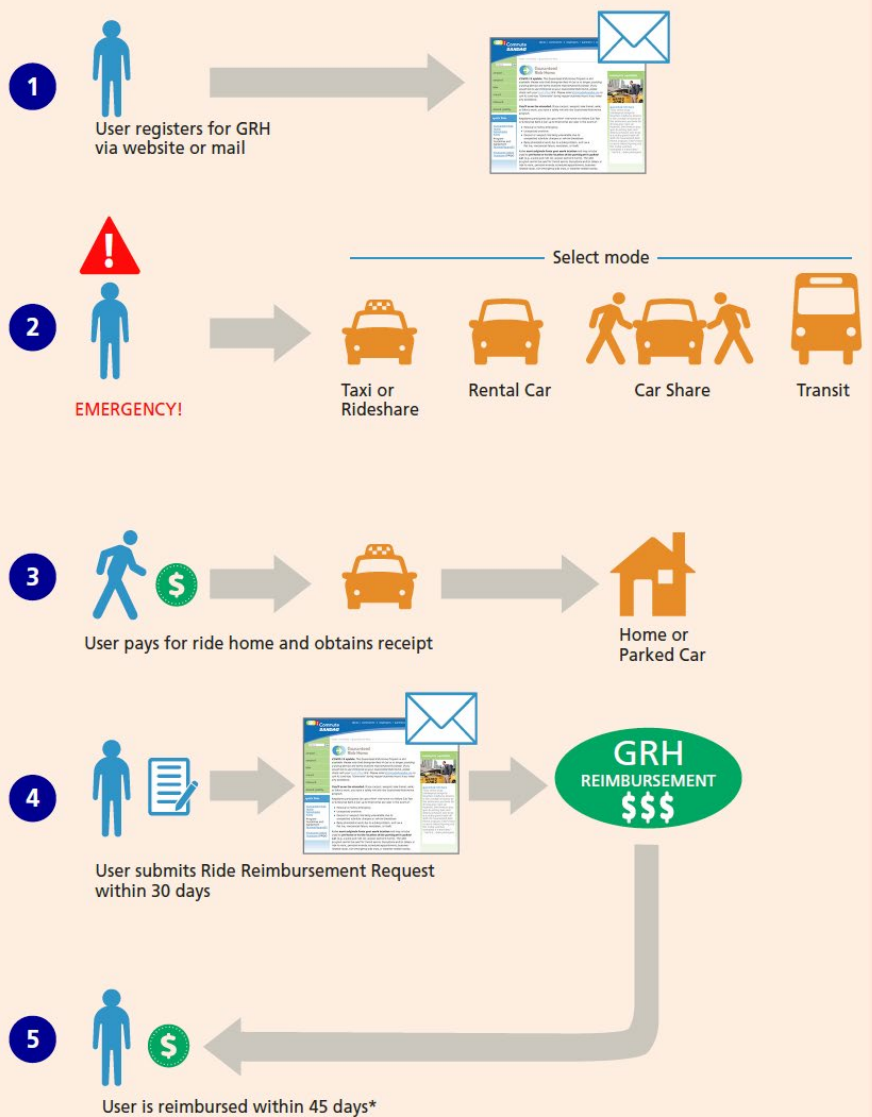

How do I register?

To be eligible, you must work in San Diego County and register in advance using the GRH online registration form available at 511sd.com/iCommute. **Do not wait** until you need an emergency ride home to register for the GRH program. You may only register yourself, and the same email address cannot be used to register for the GRH program more than once.

Registration is required on an annual basis. When it is time to renew your registration in the GRH program, SANDAG will send you a notice via email. Once you have registered for the program or renewed your registration for the new fiscal year, SANDAG will send you an email confirmation within three business days. Vouchers are no longer used for this program and will not be accepted. Please follow the reimbursement procedures detailed in this document.

SANDAG will accommodate persons who require assistance to participate in SANDAG programs. If you do not have access to the internet and would like to enroll in the GRH program, please call 511 and say "iCommute" and select option 5 to speak with an iCommute representative Tuesday to Friday and every other Monday from 8 a.m. to 5 p.m.

How to Make GRH Work for You

*Assumes user adheres to program requirements

When can I use GRH?

Rides must originate from your work location. Registered Participants may be reimbursed for rides home or to the location of their parked car (e.g., Park & Ride lot, carpool partner's home), under the following **qualifying circumstances**:

- Personal or family emergency
- Carpool or vanpool ride unavailable due to unexpected changes in the driver's schedule or vehicle breakdown
- Stranded at work due to a bike problem (e.g., flat tire, mechanical failure, vandalism, theft)
- Unexpected overtime (e.g., Participant was not aware of the situation before the start of the workday)

What are the limitations?

- Rides must originate from your work location.
- Rides may only be used to get home or to the location of the participant's parked car (e.g., a Park & Ride lot, carpool partner's home).
- The GRH program cannot be used for transit service disruptions and/or delays, a ride to work, personal errands, scheduled appointments, business-related travel, nonemergency side trips, weather-related events, or any other situation not included in the qualifying circumstances listed above. Any trip taken for one of these purposes, or without being registered prior to a ride, will not be covered by SANDAG. The Participant will be held responsible for payment and removed from the GRH program.
- Each registered participant may request reimbursement for up to three separate trips between July 1, 2020, and June 30, 2021. Once the Participant has received reimbursement for three trips, they cannot request additional reimbursements until July 1, 2021.

- When using taxi or a rideshare service (such as Uber or Lyft), SANDAG will cover eligible trips up to \$100; driver gratuity is not reimbursable. The Participant is responsible for any cost exceeding \$100 in addition to driver gratuity.
- When using a rental car, SANDAG will only cover the rental **for a 24-hour period up to \$100**. The registered Participant, as the renter, will be responsible for any additional charges that exceed this period. For example, if the rental is obtained on a Friday, SANDAG will not cover any costs for Saturday or Sunday. Costs associated with drop-off, fuel, or vehicle damage will not be covered by SANDAG. In addition, the renter must be at least 25 years of age and meet all other standard rental requirements with the selected rental car agency.

What are the hours of service?

If you have any questions, please call 511 and say "iCommute" to speak with a SANDAG iCommute representative or email iCommute@sandag.org. SANDAG offices are open Tuesday to Friday and every other Monday from 8 a.m. to 5 p.m.

How do I get a ride?

In an emergency, you can decide the best method for getting home from work. After your emergency ride has concluded, submit a request to be reimbursed for your expenses.

To be reimbursed for a GRH trip, registered program participants must take the following steps:

- **Pay for eligible ride home and obtain a receipt**

Participants must obtain a receipt from the taxi driver or rental car branch or save their digital receipt from the rideshare service (such as Uber or Lyft). The receipt or rental agreement must include the date of service, service provider, and an itemized breakdown of any relevant costs (such as fuel, base fare, other extras).

- **Submit completed Reimbursement Form to SANDAG**

Reimbursement request forms MUST be completed at iCommuteSD.com or mailed to iCommute at 401 B Street, Suite 800, San Diego, CA 92101. Request forms must be accompanied by the ride or rental receipt, and SANDAG must receive the request within 30 calendar days of the ride. Any requests received after 30 days will not be eligible for reimbursement.

- **Registered participant awaits reimbursement by SANDAG**

Reimbursement check will be mailed to program members within 45 days from receipt or request. If there is any information missing from the reimbursement form, SANDAG staff will contact the participant for clarification or to obtain additional information. If a participant is found to have falsified any portion of their request for reimbursement, SANDAG will deny the request, and the participant may be terminated from the program.

If you have any questions, please call 511 and say "iCommute" to speak with an iCommute representative during the business hours listed above.
